

Rebranding: Only the name, website and email addresses have changed

Please be informed that as part of our rebranding campaign, the previous website and email addresses will continue to be operational for the time being and will be redirected accordingly.

All other information remains unchanged.

Please refer to the following updated details effective from 19th February.

We would appreciate it if you could make the necessary corrections and updates in your records. Thank you in advance.

Please update your records
